Dedication

We, the Senior Class of 1964, with sincere appreciation and respect dedicate this edition of the Caravan to Mr. Frank I. Edwards, music director and member of our high school faculty.

Mr. Edwards is a graduate of Plymouth High School and Wilkes College, where he earned a Bachelor of Science degree in Music Education. He also did post-graduate work at The Pennsylvania State University. After graduation from college, he began his teaching career at West Pittston High School where he has produced some of the finest concerts in school history.

Aside from teaching and directing the band and chorus, he is organist for the First Methodist Church, Wilkes-Barre, and he has served as Yearbook advisor for the past two years.

It is with our deepest gratitude that we, the eighty-sixth graduating class of West Pittston High School, dedicate this issue of the Caravan to Mr. Frank I. Edwards whose kindly advice and helpful co-operation have made the publication of this book a success.

Board of Directors

TO THE MEMBERS OF THE GRADUATION CLASS OF 1964:

June brings with it commencement and diplomas marking the end of another scholastic year. To all of you, it will terminate a long and happy association as fellow students here among your neighbors and friends.

As you leave these halls of learning, we ask you to remember that in our school system you have been more than just a statistic. Members of your school board have worked faithfully with members of our teaching staff to provide you with a system of quality education designed to prepare you to meet the problems of your adult years. Whether we have accomplished our objective or not, will be answered in large measure by your future performance. We trust that you will always reflect credit on your Alma Mater, West Pittston High School.

My colleagues join me in extending our heartiest congratulations.

Sincerely yours,

CLASS SONG

Tune: Croce di Oro

Soon these years will be mellowed with mem'ries,
And the old will blend in with the new.
Through the wisdom we've gained from West Pittston
To her honor and name we'll hold true.
We have shared many triumphs and trials,
And the friends we have made will remain.
Though the future now beckons us onward,
We'll not sacrifice honor for gain.
As one let us join now together
To meet the demands of the years.
Now let us in this last proud moment
Find a mem'ry that knows no tears.
Keep our minds free to grow in new knowledge—
The ideal of a peaceful world's plan.
Hail we all now the years of our future;
May they bring the brotherhood of man.

The 1963 football Rams, under the competent guidance of Head Coach Merle Bainbridge, and his assistants, Nicholas Volpetti and Patrick Cawley, had a successful season compiling a 5 – 5 record. Despite losing four of the first five games, our "never say die" charges fought back to win four of the last five games against some very formidable opposition.

The season commenced against a strong Dunmore aggregation. Fumbles plagued our boys, causing a 6 – 0 defeat.

Pass completions, including a 35 yard reception by Duane Sorcelli, stimulated our offense in the next game. However, it wasn't enough as our boys bowed 19 – 12 to Clarks Summit-Abington at home.

The Rams hosted a big Old Forge outfit in the next game at home before 4,000 fans. Although our line, sparked by Walter Smith, produced some strong line play, three extra points gave the Blue Devils the margin in a 21 – 18 victory.

A very determined West Side Catholic team traveled here and defeated our boys, 19 – 12. Tom Hobbs and Jack Testa sparkled from their guard slots.

The school bell rang for our first victory of 1963, as we upset Scranton Tech's powerful Red Raiders, 13 – 7, at Scranton Memorial Stadium.

Alert play, such as tackle Andy Kosik's fumble recovery, led the Rams to an 18 – 7 victory over Pittston at home.

Led by center-middle guard Tom Burke and linebacker Barney Butwin, the Rams posted their first victory over Scranton Central in school history, 26 – 19, at Scranton.

A solid, crunching ground attack offset St. John's, 21 – 0, at home—thus, giving our team the mythical Greater Pittston Championship.

The Rams hosted an undefeated Tunkhannock eleven in their ninth game and were outgunned, 28 – 13. Dan Llewellyn and Joe Cefalo alternated in carrying the pigskin to lead a potent Ram offense.

The Rams went to the air under Ron DeLucca's guidance on Thanksgiving, as they defeated Exeter, 27 – 6, at home to complete the season.

Speedy junior tailback Joe Cefalo captured the Greater Pittston scoring championship with 76 points. Fullback and captain, Dan Llewellyn, was third with 58 points. Also, Llewellyn, Burke, and Cefalo garnered All-State Honorable Mention in this District.

The nine football seniors and the entire senior class leave their best wishes for a successful season next year to a talented group of underclassmen.

The hard-playing 1963-64 basketball Rams, under the capable direction of Mr. James T. Atherton, compiled a very commendable 16 – 9 record, and in the process provided the fans with an extremely thrill-packed season.

A clean sweep of the four game exhibition schedule gave us our first undefeated exhibition season in many years.

A host of Ram returnees commenced Valley League action at Exeter, but found a tall Panther five too tough to handle. See-saw was the word to describe our remaining first-half games, as our boys pasted a 5–4 record.

Despite losing the opening game to the eventual league champion Northwest squad, the Rams then grabbed six consecutive second half wins. A highlight of these games was Captain Keith VanDuzer's 24 points against Edwardsville.

Although Joe Cefalo contributed 23 points, our winning streak was halted at Wyoming in a close game. In a very similar game our boys dropped a 64 – 63 heartbreaker against Exeter to end the season.

The seniors of the 1963-64 basketball team—Mike Saia, Tommy Burke, Ron Coleman and Keith VanDuzer—extend their gratitude to Coach Atherton for his inspired instruction and wish the best of luck to him and his talented array of underclassmen.

These boys will form the nucleus of the varsity squad next year, and we look forward to a very successful season.

Track

When the 1964 track season opened, coaches Harold Seiple and William Players had a roster full of veteran runners and promising underclassmen and looked forward to a highly successful season.

On April 13 the track and field version of the Rams staged its first track meet against a fine young West Side Central Catholic team. The Rams, paced by veterans Danny Llewellyn, Ron Chintala, Mike Belpulsi, John Schwartz, and Gale Herrmann, came out on top of a 66-2/3 — 60-1/3 score. The mile relay was the deciding factor of the meet.

Because of inclement weather, the track meets with Coughlin and Tunkhannock were canceled.

The Rams had their first away meet with a powerful Meyers club. Despite a three first place performance by ace hurdler Dan Llewellyn, the Rams suffered a 95-1/2—31-1/2 trouncing.

May 4 saw the Rams on the road again, this time with Plymouth. Again Llewellyn turned in an excellent performance on the hurdles. Other firsts were garnered by veteran distance man Ron Chintala, sprinter Joe Doble, and Frank Nizich. However, the Rams were upset 64–63.

The cinderman from G.A.R. invaded the West Pittston Stadium on May 6. Chintala and Llewellyn had a fine afternoon coping their respective events. Also playing an important part

in the meet were Duane Soricelli, Ray Bonita, Mike Belpulsi, Joe Doble, Ernie Dymond, John Schwartz, Ken Roberto, and Mike Saia. Many underclassmen also placed in the meet. However, a fine Ram effort ended in a 66-2/3 — 60-1/3 defeat.

Wyoming, annual district rivals of the Rams collapsed under pressure 68-59. The mile relay team of Doble, Belpulsi, Chintala, and Llewellyn decided the meet. Sprinter Duane Soricelli placed in the 100 and 220 yard dashes, and ran with the victorious half mile relay team. Seniors, Tischler, Nizich, Schwartz, and Belpulsi, also played important roles in the Ram victory.

The final meet of the regular season was against a power packed Kingston team. The Rams made a fine showing but fell to a 73-5/6— 53-1/6 defeat. Fine individual performances were made by Dan Llewellyn, Ron Chintala, Frank Nizich, and Ken Roberto. Also scoring for the Rams were seniors Soricelli, Doble, Bonita, Belpulsi, Tramontana, Forlenza, Saia, Kosik and Herrmann.

Once again the Rams proved their superiority over the other local Class B schools by retaining the P.I.A.A. District 2 track and field championship. Outstanding individual performances were registered by Llewellyn, Comstock, Scott, and Chintala.

Daniel Llewellyn brought added laurels to the school by breaking the record in both the high and low hurdles.

This final meet climaxed an exciting and successful season.

One of the feature attractions people look forward to during football season is the performance of the Marching Band. This year, as in the past, the Green and White Marching Band once again displayed its talents on the football field, affording entertainment and pleasure to all present.

The bandmembers, along with the snappy majorettes, peppy cheerleaders, strikingly-dressed color guard, and newly formed drill team under the direction of Mr. Lawrence Brogna, performed diligently and enthusiastically in every event in which the band participated.

The recognition which the band received for partaking in certain activities was widespread. In both the Northeastern Pennsylvania Volunteer Fireman's parade, held in September of 1963, and the local Knights of Columbus parade, in which numerous bands participated, the Green and White of West Pittston succeeded in winning first place awards for its outstanding performance.

It is to Mr. Frank I. Edwards that much of the praise should be given for his fine efforts in making the Marching Band the success that it has been.

Drill Team

One of the newest and best-looking groups seen in the school this year is the Drill Team. Composed of girls from the Senior High School, the Drill Team has become an integral part of the marching band unit.

Under the faculty supervision of Lawrence Brogna and student leadership of Alexis Gasowski, the group has appeared at the football games and also in many parades.

The Senior members of the Drill Team wish to thank Mr. Brogna for his assistance and advice and wish the best of luck to next year's team.

"Ready, Mark time, two hup, hup, hup."—This is the familiar command of captain Andrea Meriesky and co-captain Susan Williams before every pep meeting, football game, and parade.

The majorettes, under the direction of Mr. Frank I. Edwards, work diligently all season to add that "extra sparkle" to the marching band. Their new lighted batons were the topic of conversation of many admiring bystanders.

The senior majorettes sadly leave their pleasant memories behind, confident, however, of the ability of next year's squad.

Co-Captain

As the 1963-1964 school year draws to a close, we can look back over the year at the accomplishments of an excellent group of cheerleaders, under the direction of Miss Dorothy Treible.

With the leadership of Janet Schmaltz, captain, and Carol Tabone, co-captain, the cheerleaders worked hard to present many pep-meetings enlivened with interesting skits. They also spent much time practicing and leading the student body in many new cheers.

All the girls deserve praise for the time and effort they have spent keeping the halls of West Pittston ringing with school spirit.

Now, as the six senior cheerleaders leave the Caravan, they would like to wish luck and success to the future cheering squad of the Green and White.

The Concert Band, under the superb direction of Mr. Edwards, supplies music for chapel exercises, P.T.A programs, and other school activities. The band's main presentation of the year is the annual Spring Concert. In preparation for this, the band spends many long hours practicing.

The band owes much of its success to its director, Mr. Frank I. Edwards. Also a unifying power in the band is its officers—President, Ronald Coleman; Vice-President, Joseph Doble; Secretary, Ronald Chintala; Treasurer, Thomas Wierbowski.

Although the organization will miss the seniors, the band will keep up the good work and continue to make the school profit of it.

Besides its participation in P.T.A. programs, chapel programs, and concerts, the chorus has traveled to both Kingston and Plymouth high schools and has conducted a special performance in conjunction with the Junior Women's Club entitled "The Best of Broadway" which brought it widespread acclaim and recognition.

Through the diligent efforts of Mr. Edwards and the long hours of practice put forth by the members, the Mixed Chorus has enjoyed one of its most successful years.

One of the many activities the senior high girls can participate is in the Girls' Glee Club under the direction of Miss Cathran J. Fear.

In order to prepare for chapel programs, Christmas programs, and the annual Spring Concert, the club members, composed of girls from the junior and senior classes, meet every Tuesday in Room 14.

These girls combine their long hours of practice with their musical talent and reading ability in the formation of a club whose performance has always been outstanding in any event in which it participates.

Our heartfelt thanks and appreciation are extended to Miss Fear for her skillful leadership and to all the girls for the fine efforts which they put forth.

The Organ Club is composed of Senior High students, selected by Miss Fear. These students must have experience in playing the piano and reading music.

Surely, the training received by those who participate will be valuable to them in future years.

Key Club's main goal is service, and its motto is "We Build." In keeping with these, Key Club supported all the worthwhile drives and activities of the school. Through a myriad of activities, including the operation of the refreshment stand, the publishing of our school newspaper, *The Key Club Chronicle*, and its support of the library, the Key Club ranked first is its division this past year, and third in the more than one hundred Key Clubs in the state.

To Mr. Ayre goes our gratitude for his patient guidance; to future clubs go our wish for continued success.

Of the many clubs organized in our high school, the Future Teachers of America Club, under the guidance of Dr. Doris Wyllie, is among the most valuable and worthwhile. Not only does it engage in many social activities, such as sponsoring dances, holding teas, and ushering in many programs during the year, but more important, it provides for its members, who are selected from the junior and senior classes, valuable experience in the field of teaching.

The members can participate actively by student teaching in the various grade levels and by visiting several college campuses, both of which afford an excellent background for the students.

The educational goals which the club strives for and attains accounts for the high degree of success the club has always enjoyed.

The girls must work in the library at least six times a year. As members of Library Club they learn to do many types of useful work. These include checking books in and out, shelving and repairing books and magazines, filing pamphlets, and catalogues and arranging bulletin board displays. While working in the library the girls usually become adept at all these jobs.

Because of the time spent working in the library the girls not only learn how a library is run but many of them may be able to obtain part-time jobs in college as library aides.

Honored by a special program on their respective nights at Youth Center were the following school organizations: the football, basketball, and track teams, the marching band, cheerleaders, majorettes, and drill team. These programs along with the annual crowning of both the Valentine Queen and the May Queen added interest and made Youth Center more enjoyable.
